Bold italic items are Core Requirements.

Italicized courses can be taken prior to being admitted to the Nursing Program.

NOTES:

Students may take their liberal arts courses before formal acceptance to the program.

Tutoring is available for basic skills required for the entrance exam in the Academic Support Center.

All core and required courses must be passed with a grade of C or better to continue in the program.

Students successfully completing PNA 1 may be eligible for Certificate as Nurse Aide (CNA).

Course sequence is dependent upon prerequisites. Students who fail a nursing course or who withdraw from the program will be given consideration for one more opportunity to complete the program. See catalog for more information.

¹ Composition & Literature 1 and Anatomy & Physiology I & II must be completed prior to enrollment in Nursing I
