NOTES:

Semester 2 & Semester 3 courses - Evening only

Provides all 350 of the Alcohol and Drug Specific Classroom contact hours and some of the experience hours required to be eligible for the NYS examination for CASAC. The NYS OASAS requirement of additional volunteer and paid experience as a CASAC eligible counselor before sitting for the exam varies depending on your academic degree.

NOTES:

- Courses must be taken together.

Students not employed in the field of alcoholism or substance abuse must be recommended by the faculty of two of their courses in the major before taking any field experience. Students in recovery from their own addiction or the affects of a family member's addiction must have completed at least two years of recovery before entering fieldwork. Current employment may be used as

¹ Offered only in the Fall Semester and in the evening. Two Prerequisites (a) Biochemistry of Addiction and (b) Alcohol and, Substance Abuse and the Family or Psychosocial Issues in Addiction. The only requirement is written permission from the curriculum chair who will determine whether the students meets the qualifications.

² Offered only in the Spring Semester. Addiction Group Counseling (Formally - Advanced Group Treatment of Addictions) and ²Addiction Field Experience I's Prerequisite: Addiction Counseling Methods (Formally - Alcohol & Substance Abuse Counseling I). The three clinical course no longer have to be taken in any particular order (Hser4v 144, 212 and 244) Advisors should have students take AT LEAST ONE CDC COURSE each semester

fieldwork with the approval of the Curriculum Chair and the Field Coordinator. All internship associated courses HSERV 144, and 244 require written of the curriculum chair for registration.
