⁴ Pharmacology for Nurses is a co-requisite for A.D.N. 2 and a pre-requisite for A.D.N. 3

⁵ General Microbiology is a co-requisite for ADN 3 and a pre-requisite for ADN 4

Bold italic items are Core Requirements.

Italicized courses can be taken prior to being admitted to the Nursing Program.

NOTES:

- **Program requirements: also include *Sociology 101, Phys.Ed (1 health/fitness, 1 sport), Comp and Lit II, and Humanities/Social Science.***

Humanities courses include Art, Dance, Drama, Music, Foreign Language, Film, Philosophy, Theater and Photography at ARTWS.

Social Science courses include History, Political Science, Economics and Geography.

- ***All non-nursing courses must be passed with a minimum grade of C, and all nursing courses must be passed with a minimum grade of “C+” in order to continue in the program.*** A minimum GPA of 2.0 must be attained at the end of each semester to remain in the program and for graduation. Students who fail a nursing course or who withdraw from the program will be given consideration for one more opportunity to complete the program. If the student returns to the program after more than one year of absence, he/she must take a challenge exam from the previous nursing courses in order to evaluate competency in that area.
- The Advance Standing policy for LPN to RN may be obtained from the Nursing Department. A PN graduate from Westchester Community College's LPN program who obtained a grade point average of B or better in the entire PN program can receive 8 challenge credits for ADN1. A PN from another program must apply to take a challenge exam in order to receive these challenge credits.
