## NOTES:

- Humanities courses include Art, Dance, Drama, Music, Foreign Language, Film, Philosophy, Theater and Photography at ARTWS.
- Social Science courses include History, Political Science, Economics and Geography.
- Liberal Arts course include any of the above areas plus English and Communications.

All non-veterinary courses must be passed with a minimum grade of "C" in order to continue in the program. A minimum GPA of 2.0 must be attained at the end of each semester to remain in the program and for graduation. All veterinary technology courses (VET) must be passed with a minimum grade of C+. Students who earn less than a $\mathrm{C}+$ in a veterinary technology course or who withdraw from the program will be given consideration for one more opportunity to complete the program. If the student returns to the program after more than one year of absence, he/she must take a challenge exam in order to evaluate competency in the veterinary technology content covered in previously taken courses.
