<ul style="list-style-type: none"> ➤ 2 years of academic mathematics including Algebra ➤ 3 years of high school science, with labs, including Biology and Chemistry 		<ul style="list-style-type: none"> ➤ Beginning Algebra ➤ Biological Science & Lab or Biological Science 2 & Lab (Human), Principles of Inorganic Chemistry

PLUS

- **Prior to or concurrent with the Spring semester before taking the TEAS, to gain entrance into the evening program students must complete the following courses with a C or better (2.0 on a 4.0 scale):**
 - *Anatomy and Physiology I¹ – 4 credits*
 - *Anatomy and Physiology II¹ – 4 credits*
 - *Composition and Literature I – 3 credits*
 - *General Psychology – 3 credits*
 - *Nutrition– 3 credits*
- **Criminal Background check must be done prior to entrance into the nursing program. Students whose drug screening and criminal background checks are deemed unsatisfactory may be denied access to clinical experiences by the clinical agencies. Failure to qualify for and meet clinical requirements may prevent completion of the program. Withdrawal from the program may be necessary if students cannot be placed for clinical experiences.**
- **Students must submit completed physical exams prior to taking clinical courses. Students must be certified for 2 years in an 8 hour Health Care Provider CPR prior to beginning the program.**

Course #	SEMESTER 1	Credits	✓
ADN 120 and ADN 124 and ADN 142	ADN Nursing 1 and ADN Nursing 1 Lab and ADN Nursing 1 Clinical	8	
NHSCI 102	² Dosage Calculations	1	

Course #	SEMESTER 2	Credits	✓
ADN 131 and ADN 136 and ADN 144	ADN Nursing 2 and ADN Nursing 2 Lab and ADN Nursing 2 Clinical	8	
BIOL 202	³ Pharmacology for Nurses	3

Course #	SEMESTER 4	Credits	✓
ADN 231 ADN 244	ADN Nursing 4 and ADN Nursing 4 Clinical	12	

Bold italic items are Core Requirements.

Italicized courses can be taken prior to being admitted to the Nursing Program.

- **Program requirements:** also include *Sociology 101, Physical Education (1 health/fitness, 1 sport), Comp and Lit II, and Humanities/Social Science.*

Humanities courses include Art, Dance, Drama, Music, Foreign Language, Film, Philosophy, Theater and Photography at ARTWS.

Social Science courses include History, Political Science, Economics and Geography.

- ***All non-nursing courses must be passed with a minimum grade of C, and all nursing courses must be passed with a minimum grade of “C+” in order to continue in the program.*** A minimum GPA of 2.0 must be attained at the end of each semester to remain in the program and for graduation. Students who fail a nursing course or who withdraw from the program will be given consideration for one more opportunity to complete the program. If the student returns to the program after more than one year of absence, he/she must take a challenge exam from the previous nursing courses in order to evaluate competency in that area.
- The Advance Standing policy for LPN to RN may be obtained from the Nursing Department. A PN graduate from Westchester Community College's LPN program who obtained a grade point average of B or better in the entire PN program can receive 8 challenge credits for ADN1. A PN from another program must apply to take a challenge exam in order to receive these challenge credits.

⁴ General Microbiology is a co-requisite for ADN3 and a pre-requisite for ADN4.
