### NOTES:

Students considering the EMT-P Certificate program must be NYS certified EMT prior to enrolling in Paramedic 1 & 2. Students with less than one year of experience as an EMT must seek permission of the Curriculum Chair.

"C" grade in all courses required to graduate.

Poor math scores will not exclude a student but instead, indicate the need for a remedial course prior to or concurrent with Paramedic 1 & 2. Students at the Beginning Algebra level should anticipate success.

<sup>1</sup> Anatomy & Physiology 1 & 2 are prerequisite courses for Paramedic 1 & 2.
