Completed credits of 67 required

All non-veterinary courses must be passed with a minimum grade of “C” in order to continue in the program. *All veterinary technology courses (VET) must be passed with a minimum grade of C+.* Students who earn less than a C+ in a veterinary technology course or who withdraw from the program **may** be given consideration for one more opportunity to complete the program. Two or more such classes will result in termination from the program. If the student returns to the program after more than one year of absence, he/she must reapply to the program as re-entrance is not guaranteed.
